A **Pre-Inspection Warranty Form** with photos is required and must be received by Inland Coatings, LLC, prior to issuance of any warranties.

We agree for a period of two (2) years from the warranty effective date to:

1. Investigate all reported leaks and make repairs at our own expense if the leaks are due to any deviation from specifications during Inland System Installation.
2. Request authority from Inland Coatings, LLC, to make repairs at Inland's expense if the leaks are due to faulty Inland product.

Please find this submittal as confirmation that the above job has been completed according to the guidelines of the project. To be warrantable, all roof installations must be made in complete compliance with Inland Coatings' written sample design guidelines.

I certify that this project was installed according to Inland Coatings' written sample design guidelines. The undersigned understands and agrees that issuance of the warranty applied for is subject to receipt, review and approval of all required documents, inspection reports, materials and fees by Inland Coatings' warranty department.
