

INLAND

POLYURETHANE Roof Coatings

SUPERIOR ADHESION — Professional protection for commercial and industrial roofing applications.

IMPACT/TEAR RESISTANCE — The ideal choice for where you have extreme weather and high foot traffic, this single-component coating will protect your roof surface.

DURABILITY — Exceptional reliability for surfaces requiring resistance to weather and other conditions that can compromise the integrity of the substrate

FLEXIBILITY — Allowing a topcoat of either aliphatic polyurethane or silicone adds to the versatility and appeal to installation offering a superior water tight solution.

PRODUCT FEATURES

- High-Solids
- Resistant to dirt pick-up
- Extreme Durability
- Exceptional Adhesion
- Superior UV Stability
- High Reflectivity
- Moisture-Cured

SUITABLE SUBSTRATES

- EPDM
- Aged PVC
- Aged Hypalon
- Aged TPO
- Concrete
- BUR (asphalt)
- Modified Bitumen
- Metal
- New Spray Polyurethane Foam

Product		Description	Color(s)	Unit(s)	Packaging	Product Code
AldoThane 386	Top Coat	AldoThane 386 is a UV-stable, high-solids, single-component, moisture-cure, aliphatic polyurethane elastomeric coating.	White	5-Gal	36/pallet	386.05 White
				55-Gal	4/pallet	386.55 White
AldoThane 385	Mastic	AldoThane 385 is a high-solids, single-component, moisture-cure, polyurethane elastomeric mastic designed for sealing fasteners, laps/seams, penetrations and other detail work.	Aluminum	1-Gal	4/box	385.01 Alum
				5-Gal	36/pallet	385.05 Alum
AldoThane 384	Base Coat	AldoThane 384 is a high-solids, single-component, moisture-cure, aromatic polyurethane elastomeric base coat.	Aluminum	5-Gal	36/pallet	384.05 Alum
				55-Gal	4/pallet	384.55 Alum
AldoPrime 710	Rust Primer	AldoPrime 710 is a rust-inhibiting primer specifically formulated to stop the progression of oxidation that leads to rust. It is intended for use on ferrous metal substrates. Compatible with a broad selection of finish coats.	Light Gray	5-Gal	36/pallet	710.05 Gray
				55-Gal	4/pallet	710.55 Gray
AldoBlock 708	Bleed Blocking Primer	AldoBlock 708 is a low-VOC acrylic primer with asphalt stain-blocking capabilities, formulated to enhance adhesion across a variety of substrates.	Blue	5-Gal	36/pallet	708.05 Electric Blue
				55-Gal	4/pallet	708.55 Electric Blue
				250-Gal	1-tote	708.25 Electric Blue
AldoPrime TPO	TPO Primer	AldoPrime TPO Primer is a VOC-compliant, solvent-based primer formulated for application over aged TPO membranes to enhance the adhesion of acrylic, urethane and silicone roof coatings.	Orange	5-Gal	36/pallet	TPO.05 Orange
				55-Gal	4/pallet	TPO.55 Orange
EPDM Cleaner	EPDM Cleaner	EPDM Cleaner is a highly effective cleaner specifically formulated to prepare EPDM membranes.	Light Purple	5-Gal	36/pallet	RP2.05
				55-Gal	4/pallet	RP2.55
RRC-600	Rust Conditioner	RRC-600 is a liquid rust conditioner and converter that effectively prepares rusted metal surfaces for coating.	Clear	5-Gal	36/pallet	600.05 Rust Remover
